

## PSC Cups and PSC Awards

### PSC Cups

Students collect PSC Cups for submitting variables. If their solutions are better than the previous ones and they move up the highscore table ranks, they collect PSC Cup along the way.

1. At the end of the competition, the participant with the highest cups total wins a 2-day CHEMCAD training.

Goal: The award serves to equip a student with a knowledge and skills of process simulation software that are only offered to the industry practitioners. The content of the seminar is incomparable with the university curriculum. The participant receives a professional software training and, as a result, gains a competitive advantage in his/her future professional career. Language: English or German

Presently, the award is only offered to students in Europe and the USA.

Europe training location – Berlin

USA training location – multiple locations

Students are responsible for their travel and accommodation costs related to the course participation.

### My PSC Link

Everyone who registers with PSC receives a unique My PSC Referral link. The link is to be shared with others to register with. The My PSC referral link owner earns additional PSC Cups when a referred friend submits variables and progresses in the highscore table.

Goal: To encourage fellow students to register for PSC and submit variables regularly. To encourage PSC Cups collection and motivate students to work on their best solutions.

- The link is multiple-use and valid for the lifetime.
- All referred contacts made are carried forward to the next challenge. My PSC referral link owner continues to earn PSC Cups when his/her referrals return to the cup next year. To activate his/her PSC Cups collection ability, he/she must make the first variables submission to the new challenge.
- My PSC referral link is visible on My Account page.

### PSC Overall Winners

The Overall Winners are determined during the latest phase of the competition based on the highest profit achieved in the simulated task.

3 Overall Winners are awarded Amazon Vouchers in the amount of:

- 1.€200
- 2.€150
- 3.€100

International students: Amazon vouchers are given in the currency of respective countries for students who are unable to collect vouchers in person (if it's applicable).

Students are responsible for their accommodation costs in Berlin.

### **PSC Monthly Winner**

Each month, PSC participant who places No.1 in the highscore table wins:

- €25 Amazon Voucher
- 100 Cups
- e-certificate of participation

International students: Amazon vouchers are given in the currency of respective countries for students who are unable to collect vouchers in person (if it's applicable).

### **PSC Student Ambassador**

PSC Student Ambassador title is awarded to PSC participants at the end of the competition. The precondition to winning the title is the highest number of referred student registrations (minimum 15 referred students) or any other creative contribution to PSC and its initiatives.

Award: Amazon Vouchers worth €80

International students: Amazon vouchers will be given in the currency of respective countries (if it's applicable).
